Changbo Long

## 1 Paper Writing

1. Revision on the TCAD submission “Placement of Sleep Transistors in Power Supply Networks”
  - (a) Change the structure of the paper by moving all proofs to appendix, moving some lemmas to appendix, and moving experiments results around.
  - (b) Revise many small places to make the paper more readable and smooth.
  - (c) Discussed with Jinjun and included his suggestion on revision into the paper.
