

Package and Chip Co-design - Strategies and Challenges

Luca Daniel, Byron Krauter, Lei He

- **Part I: Introduction and flow of chip-package co-design**
 - **Lei He, UCLA EE Dept., Los Angeles, CA**

- **Part II: From Field Solvers to Parameterized Models**
 - *Luca Daniel, MIT, Cambridge, MA*

- **Part III: Extraction and application of Sparse L-1RC Models**
 - *Byron Krauter, IBM Microelectronics, Austin, TX*
